# 2016 VBT Membership Fees Now Due

The VBT Board has made the decision to raise the membership dues to \$100 for individual members (\$25 for students) starting 2016.

It is the first time the dues have been raised in many years, and reflects the naturally increasing costs of running the temple.

Please return the 2016 membership form and dues to the temple as soon as possible.

For your convenience, VBT now accepts payment for membership through the VBT Website: vancouverbuddhisttemple.com

# **Cherry Blossoms**

Due to the very mild weather we experienced this past winter, cherry blossoms have begun blooming earlier that usual. Oppenheimer Park in front of our temple is still in the process of redevelopment. The cherry blossoms have bloomed beautifully and are already beginning to fall to the ground. It reminds me of an episode regarding the story of Shinran's ordination and an incident which took place at a meeting years ago.

When I was serving as Ministerial Association Chairman, I had traveled to San Francisco with Bishop Orai Fujikawa to attend the World Jodo Shinshu Coordinating Council. All the Bishops from the overseas districts and from our Mother Temple, Hongwanji, had gathered for the meeting. The meeting went very smoothly, and indeed, we were able to conclude the meeting before the scheduled time. Therefore, we had two hours to spare before dinner. Everyone wondered what we could do with this time. One of the Sochos suggested we watch a new DVD about Shinranshonin. The Hongwanji had made an animated movie illustrating Shinran-shonin's life to mark his 750th commemorative service, which was observed in 2011.

There are a number of legends surrounding his life, one of which is a tale concerning his tonsure. When told that the ceremony to initiate him into the monkhood would be held off until the next day, it is said that the young Shinran composed the following poem on the spot:

"Cherry blossoms that are felt To last till the morrow, May well blow away During the night".

We ministers know this story very well, and were expecting to hear the animated Shinran recite the poem. However, just at this point in the story, the DVD froze. We waited 30 seconds, which stretched into several minutes, but the DVD would not re-start. We tried a few things to get it to start playing again, but nothing worked. In the end, we gave up and the ministers and the Bishops all agreed: "Let's watch the rest tomorrow!" Needless to say, this was a joke which pointed to the irony of our comment in this situation. Shinran's poem expresses how impermanent the world is. We always assume that there will be a tomorrow or a next time. However, in reality, there may not be. Indeed, the next day, we were not able to watch the rest of the movie.

We all live such busy and hectic lives. Our days are filled with more places to be and things to do than ever before. In our wonderful lives, we tend to take for granted all too easily, all that we have. And take for granted especially, the people we love. We must 'appreciate' what we have when we have it, as there may not be another time to do so. It is a reminder for me to take a moment to realize this precious time I am able to live.

# Message from the **VBT Board**

For all Buddhists the month of April is significant because it is believed that Siddartha, the given name of the baby prince, was born over 2500 years ago. Historians mark the 8th of April as his birth date The birth place was in Lumbini Garden, which at that time in history, was part of northern India.

As Shinshu Buddhists we celebrate this event as Hanamatsuri, which literally means 'Flower Festival'. Our temple will be observing Hanamatsuri on Sunday, April 10, at 10:30am. The guest minister for the service will be Rev. Miki Nakura from New York, USA, who is a Higashi Hongwanji minister. Please plan to attend and listen to and personally meet Rev. Nakura. VBT's Hanamatsuri weekend will begin on Friday, April 8 with a lecture to be given by Rev. Nakura (see next box for details).

Combined with the Hanamatsuri. we will be having Keirokai recognizing and paying our respect and gratitude to our senior members 77 years and older. Special recognition will be directed to those who are 77, 88, 99 and older. As an old Japanese custom, those dates are referred to as kiju, beiju and hakuju. It you know of a member who is a senior, please phone the temple in order that we can extend a personal invitation for him/her to attend. In fact, all seniors, including all younger members are invited to attend without invitation. The Keirokai lunch and entertainment will commence immediately following the Hanamatsuri service and everyone will be treated to good eats and friendly fellowship.

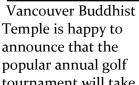

> Gassho, Dr. Robert Akune

We cordially invite any families with newborns and toddlers up to one year of age to participate in our annual Hatsumairi Ceremony, which is to take place during our Hanamatsuri (Sakyamuni Buddha's Birthday) service on Sunday, April 10, 2016.

Hatsumairi literally means "first Buddhist service". Often translated as "Infant Presentation Service, Hatsumairi represents the first opportunity for families to bring infants who were born during the previous year to Temple. At the same time, it gives our Temple the opportunity to give expression to the Primal Vow of Amida Buddha, which embraces people of all ages, genders, races, and social strata.

If your family wishes to participate, please contact the temple office by the registration deadline Friday, April 8.

# JSBTC Japan Tour 2016 October 10-23

The JSBTC is organizing a pilgrimage trip to Japan to coincide with the Accession Ceremony for Sennyo Monshu (Head Priest) being held on October 21 at

the Nishi Hongwanji mother temple in Kyoto. This very unique service is being speficically designated for Shin followers from Overseas Districts. Sennyo Monshu is the 25th Head Priest, therefore 25th descendant of Shinran-shonin, the founder of Shin Buddhism. As such, Steveston Buddhist Temple resident minister, Rev. Grant Ikuta has organized this pilgrimage to include specific sights centred around Tokyo and Kyoto associated with Shinran-shonin. The tour is open to members across Canada, and space is limited. For more information, please refer to posters at VBT, or online at the tour organizer 's (Kintetsu) website:

Kim Conway, Marion Fujita (treasurer), Jenny Fujita (secretary), Mike McSkimming, Amy Nagamatsu (fujinkai president), Paige Perry, Irene Rohrer (secretary), Naomi Shikaze (treasurer), Lori North and Lucy Yoshioka (co-chairs).

Other items on our agenda for the annual general meeting included discussions for hosting the 2017 convention and annual general meeting for the BCJSBTF (passed), raising the age for keirokai to 77 (passed with conditions), and plans for the 2016 Spring Dinner and Gala which will be held on May 14<sup>th</sup>

May 14<sup>th</sup> dinner and silent auction will be held at the Bradner Hall. Starting at 5:00 with zumba and line dancing, we hope you will join us for another swinging party in the valley. Watch for more information to come to your temple.

#### May's Special Service: GOTAN-E

Cotan-e celebrates the birth of Shinran Shonin (1173-1262), the founder of Shin Buddhism. The life and teachings of Shinran-shonin constitute one of the most significant developments in the history of Buddhism. It was he who discovered a path which

ensured that the treasures of the Dharma would be accessible to all people without discrimination. This May celebration is also called Fujimatsuri, or Wisteria Festival, after the purple flower which represents our sect. Though the flowers grow high on intertwined branches of a tall and sturdy tree, unlike other flowers which stand up when in full blossom, the wisteria hangs down, as if in humility. It serves as the family crest of Shinran.

The Jodo Shinshu Buddhist Temple of Canada Women's Federation (JSBTCWF), together with

the Temples across Canada, had the pleasure of hosting the 15th World Buddhist Women's Convention (WBWC) in Calgary, Canada May 30 & 31, 2015. Our goal was to provide a meaningful convention to be able to share the Teachings as we gratefully "Embraced the Oneness of Life".

For Canada, as a result of planning and hosting this international event, the convention had a positive influence within the JSBTCWF which spread throughout the Canadian Kyodan. At times, the responsibility felt overwhelming but in the end, it was gratifying to welcome so many to Canada and to share in the Buddha Dharma as "one".

We were honoured to have his Eminence Monshu Ohtani Kojun (Sennyo Monshu) attend the convention and to have him share in the convention fellowship. We were also privileged to welcome Rev. Fujino, Rev. Tachibana, the District Bishops, Women's Association delegates, and many other dignitaries.

The JSBTCWF would like to express sincere gratitude to the Hongwanji and the International Department for their guidance and support. The convention truly highlights the joint effort required by the Hongwanji and all Districts, to work together for the benefit of all.

Canada's Convention Organizing committee appreciated everyone's thoughtfulness and will be compiling suggestions and lessons learned to be shared with the 2019 WBWC committee.

Gratefully submitted for the World Coordinating Council 2015 In gassho,

Susan Huntley, 13Sep15

# (Pillow-side) Service

When families consider having a Pillow-side service, they are encouraged to notify Rev. Aoki with advance notice. This offers Rev. Aoki time to adjust his schedule accordingly. Depending on the wishes of the family, Rev. Aoki is quite prepared to conduct the service immediately following the passing, wherever the location or hour. Providing information prior to a passing is important for Rev. Aoki, not only so that he can adjust his schedule and prepare for the service, but is also an opportunity for him to offer information and address any questions the family may have.

**VBT Keiroukai Party April** 10 Keiroukai is an annual celebration to recognize the senior members of our sangha. We pay respects to those who have survived difficult times to sustain our wonderful teachings. Under very trying economic times and during periods in our history of ethnic differences as shown by the evacuation of all people of Japanese origin during World War II. Our seniors not only survived but succeeded to make enriched lives for themselves and for their families. They carried the same energy and spirit of "Gambaru" to sustain and further the growth of Shins

ried the same energy and spirit of "Gambaru" to sustain and further the growth of Shinshu teachings to all of us. For that we are thankful and the Keiroukai occasion is our way to say "domo arigato gozaimashita."
