February/March 2023, Issue #468

Buddha's Teaching as a Guiding Light

January is ending and we are now approaching the second month of 2023. How time flies! I have been talking to new people who would like to study and learn more about Buddhism. I have been telling them that Buddha's teaching is a guide. Whether we follow it or not, is up to us. Buddha's teaching is also explained as a light, and I would like to illustrate with the following story.

A group of fishermen were out fishing, when they suddenly realized that it was nightfall. In all the confusion, the currents had changed, and the fishermen lost all sense of direction. To make matters worse, the moon wasn't out that night, so they frantically sought a source of light to find their way back to land. Soon, an alert fisherman said, "Put out all the light!" Following his orders, the light was quickly put out, and everything became pitch dark. However, as their eyes adjusted to the darkness, they were soon able to see a light from the shoreline, thus making their way back safely to land.

In this and many other stories, we are often reminded that we become bewildered with what we see directly in front of us and that we forget what is important. Are we being too optimistic, desiring only what is enjoyable? If life can always be enjoyable by being optimistic all the time, then there really is no problem. However, being too optimistic all of the time might make life somewhat empty and meaningless.

For example, a photograph is developed by various lighting textures filtered through the lens of a camera. If there are bright hues, there are dark hues as well. It is the balance of these lighting textures that creates a beautiful photograph. It is in the bright hue that the dark hue is visible and adds depth and texture to the photograph.

I feel that life is quite similar to the principles of a photograph. When life is "bright", in other words, filled only with enjoyment, it has no depth. Life gains meaning and depth when we are aware of the "shadows".

With Palms together in Gassho,

Tatsuya Aoki

Message from the VBT Board

As the threat of COVID is decidedly easing, we welcome our members and friends back to our temple. Most of our clubs and groups are now gathering on a regular basis, please join us. Aoki Sensei, as usual, is available to arrange services, whether for weddings, memorials, funerals, or other special family occasions.

The method to elect a new board of directors has met with some obstacles. While it is a way to be more fair and democratic, the election committee has found only a few members who are willing to step up. The committee is seeking ways in which we can have good representation of our membership and at the least, have sufficient directors to voice the views of all our temple members.

The temple expresses its sincere gratitude to the present board for their selfless dedication and hard work. Thank you to Aoki Sensei, who continues to provide for the needs of our membership and to communicate with the neighbourhood public, as well as to the city officials and the Vancouver police. Matta yoroshi ku onengai shi masu.

New Year's Eve Bell-ringing
Service at UBC

Greetings from the Fraser Valley Buddhist Temple!

Our temple has not been used much over the past few years due to COVID, as well as poor weather conditions. So, in December, because of the weather, we cancelled our December monthly & Bodhi Day service. However, we were able to meet for mochi making on Wednesday, December 28th which was followed with an udon lunch to celebrate the year's end and mark the coming of the New Year. It was thoroughly enjoyed by all who were able to attend!

Our January monthly & Hoonko service was held on Saturday, January 7th @ 11 am with Bishop Aoki and after service we were once again treated to a potluck feast including Ozoni (mochi soup). It is always so heart-warming to meet with our wonderful sangha.

Please join us for our next monthly & Nirvana Day service on Saturday, February 11th at 2 pm with Rev. Grant Ikuta. We will go back to our afternoon schedule from February.

The date for the March service will be on March 11th at 2:00 pm. Also, the annual general meeting for the temple will be held after that service. We hope that as many as possible will attend and membership of \$100 will be due on that date.

Save Saturday, May 6th for an evening of fun, food, and friendship. We have booked the Bradner Hall for our Spring Fundraising Dinner.

We're back to our usual rainy weather these days but one never knows what to expect. Life moves us in mysterious ways; let wisdom & compassion be our guiding light.

In gassho,
Fraser Valley Buddhist Temple

Thank You to...

A lot of work is required to keep the temple in working order. From time to time things break-down or we need assistance in the kitchen. As well as the board of directors, we are very fortunate to have volunteers answer the call for help.

A huge shout-out and thanks to:

- ◆ New Year's Eve Bell-ringing - Yukari, Sora, Sakura, & Yuki Aoki, Neal Marshal, Art Oyama, and Joanne Yuasa
- ◆ New Year's Day Service - Lorna, Courtney, Nicole, & Stephanie Bishop, Marie Oyama, and Joanne Yuasa. A special thank you to Steven Nishi for the donation of the oranges.
- ◆ Mr. Frank Hamanishi and Mr. Robert Nomura for helping with the Naijin.
- ◆ Mr. Robert Nomura for the rechargeable blower donation and for sharpening the kitchen knives.
- ◆ Art Oyama for repairing the door behind the Hondo.

Toban 2 Will Be Responsible For the Month of February and March

The temple would not be the warm and welcoming place for gathering if it were not for the dedicated hard work of our members. When people come to the temple—whether it is for the first time or the 100th time—the care we put in our temple expresses how precious we hold the Teachings of the Buddha.

The Tobans will look after Memorial/Shotsuki services. Some of the duties include: cleaning the Hondo, inside and outside the temple; a parking attendant will be needed; as well as a couple people to act as service receptionist and usher. Help will also be needed for lunch prep for various monthly activities.

The following activities in January are the responsibility of: **Toban #2**

- ♦ Nirvana Day and Shotsuki/Memorial Service - Sunday, February 12th
- ♦ Bento making - Saturday, February 25th @ 9:00 a.m. & Sunday, February 26th @ 8:00 a.m.
- ♦ Spring Ohigan and Shotsuki/Memorial Service - Sunday, March 5th
- ♦ Bento making - Saturday, March 25th @ 9:00 a.m. & Sunday, March 26th @ 8:00 a.m.
