Life is Fragile

“Whether I go before others or others go before me, whether it is to be today or whether it is to be tomorrow, who is to know. Those who are sent before us are as fragile as drops of dew.”

(On the White Ashes by Rennyō Shonin)

I was very saddened to hear of Reverend Yasuo Izumi’s passing. He was one of our “Senpai” (senior) ministers, who was very much dedicated to promoting and sharing Buddha-Dharma in Canada.

I would like to express my sincerest appreciation to Rev. Izumi. Domo Arigato, Izumi Sensei.

I attended the Japanese Canadian Remembrance Day ceremony at Stanley Park on November 11th. It was hosted by the Japanese Canadian War Memorial Committee and the Nikkei National Museum and Cultural Centre. This year marks the 75th anniversary of all Japanese Canadians right to vote, and the War Measures Act was repealed in 1949. Over 150 people attended the service under the light rain, and Mr. Ted Akune, as BC Buddhist Federation president, and I placed a wreath at the Cenotaph in the park.

There have been constant conflicts and wars in the world. It is our hope that the conflicts will end soon, and peace will be restored.

Tatsuya Aoki

Message from the VBT Board

This summer I was very fortunate to go to Japan with my 3 daughters. Nicole, our oldest, was able to join us from Perth, Australia and Courtney, Stephanie and I flew from here. Now that I am back and remembering the wonderful time I had, I realize just how lucky I was to have been able to take this trip with all 3 of the girls. Everything is constantly changing and I am only getting older, If I hadn't taken advantage of this opportunity it may not happen again. Buddhism teaches us to live each day to the fullest because there may not be a tomorrow. To live life to the fullest and enjoy the time we have with our family and friends. I am so thankful to have had this opportunity with my daughters. My Mother would have been very envious. I thought of her and my Grandmother during this vacation and how happy they would be that we were in Japan together. We attended an early morning service at Tsukuji Hongwanji and their Obon Odori. It was fabulous. There were probably 1,000 people in attendance eating, dancing and drinking!!! Having a great time. It was amazing to see so many people, when our event brings out 50 dancers and possibly 20-30 spectators. This event just proves what can happen when we all get together to organize.

In Gassho,
Lorna Bishop

Greetings from the Valley...

The atmospheric rain event has the valley so wet making it difficult to feel grateful for the water, although we really do need the moisture. The B.C. elections are done (or are they??) and life goes on as usual ??

We said goodbye to Ruth Honkawa and we notice how the temple seems emptier as our seniors seats become less and less used. Again, gratitude is not always easy to feel, but we are grateful for the time we have had with all of our seniors.

As fall turns into winter our little temple wishes everyone a safe and healthy winter and try to attend temple somewhere, somehow... you really will feel better.

We will be having a meeting on November 30th at the temple to plan our temple anniversary which we hope to hold in May of 2025. The meeting will be at 10:00 and all members who have ideas and interest in helping with the anniversary event please join us at this meeting.

The December shotsuki and end of the year service will be held on December 7th at 11:00 in the morning with Reverend Grant Ikuta officiating. After lunch we will be playing bingo so please bring a well disguised bingo prize.

We will also make mochi on December 28th at 9:00 a.m. If you wish to make mochi please bring your prepared rice to the temple.

Return to the Toban System

The temple would not be the warm and welcoming place for gathering if it were not for the dedicated hard work of our members. When people come to the temple - whether it is for the first time or the 100th time - the care we put in our temple expresses how precious we hold the Teachings of the Buddha.

The Tobans will look after Memorial/Shotsuki services. Some of the duties include: cleaning the Hondo, the Social Hall, inside and outside the temple; a parking attendant is needed; as well as a couple people may be needed to act as service receptionist and usher. Also, Tobans will be responsible for lunch preparations, clean-up, and garbage removal. Help will also be needed for special services and memorial events, when needed.

The following activities in **December and January** are the responsibility of **Toban #3**

- **Bodhi Day & Shotsuki/Memorial Service Lunch Prep** - Sunday, December 1st @ 9:00 a.m.
- **Mochitsuki** - Sunday, December 8th @ 9:00 a.m.
- **Seniors' Luncheon** - Sunday, December 15th @ 9:00 a.m.
- **New Year's Eve Service** - Tuesday, December 31st @ 10:00 pm (@ UBC)
- **New Year's Day Service** - Wednesday, January 1st @ 10:00 am
- **Hoonko & January Shotsuki/Memorial Service** - Sunday, January 12th @ 9:00 am

Please contact Toban 3's captains, Dave Ohori and/or Trish Keizer if you are able to help.

Thank You to...

A lot of work is required to keep the temple in working order. From time to time things break-down or we need assistance in the kitchen. As well as the board of directors, we are very fortunate to have volunteers answer the call for help.

Japanese Canadian Survivors Health and Wellness Fund Society

October, 2024 Update for the Japanese Canadian Survivors Health and Wellness Fund

The Japanese Canadian Survivors Health and Wellness team is hard at work processing applications. While there are grant cheques being mailed on a regular basis, we know many Survivors are waiting and frustrated at the length of time to receive a cheque. Due to the volume of applications received to date the wait time has increased. We thank you for your ongoing patience. There is a detailed process to confirm eligibility and due diligence to ensure that the money is being awarded to appropriately qualified Survivors.

Since February 1, 2024, we have received approximately 5000 applications from Japanese Canadian Survivors living around the world. To date, we have awarded over 3500 grants to over 2000 Survivors.

We follow a strategy to process applications by prioritizing age and health and the wellness needs of living Survivors. High priority status is due to physical and/or mental health, or financial need. We started with those aged 100+ years and dropped each group by 5 years (100+ then 95+, 90+ and 85+). We are now serving those born pre-1942 (82+ years) and continue to include priority applications.

Please note:

- You can make an online application until March 31, 2025
- Confirmation of your application is sent by email. A reference number (SR-XXXXX) is issued. Please keep this number.
- If you have a SR number, please do not re-apply. Duplicate applications require more time to process

Eligibility

Eligible applicants for both Grants 1 and 2 must meet ALL of the following requirements:

- be of Japanese descent
- be born before April 1, 1949
- have lived in BC before April 1, 1949 OR had parents or grandparents who lived in BC before April 1, 1949
- have been directly impacted by the actions of the BC government before April 1, 1949

In addition, for Grant 2:

- On or after February 1st, 2024, the Survivor must be alive at the time of submitting the application (online or through an Outreach Worker)

To validate your application please locate the following documents:

- Personal identification (e.g. birth certificate, passport, a picture ID)
- Birthdate before April 1, 1949
- Proof of current mailing address (e.g. Driver's License, recent credit card statement, utility bill)

DO NOT send the Society any personal documents by email or mail. This is for your protection.

Validation

Once the file is assigned to an Outreach Worker, they will contact you by phone or email and arrange to either meet with you in person or virtually (by Zoom).

1. The first step is confirmation of date of birth prior to April 1, 1949.
2. The next step is validation of Roots in British Columbia (B.C.), which confirms the Survivor's ties to BC prior to April 1, 1949.

Research is conducted by staff. However, the onus is on the Survivor/Representative to provide sufficient information to confirm that the Survivor has Roots in BC.

Many have already met with an Outreach Worker for step 1. There is a delay to process step 2, research confirmation of Roots in BC from official documents or recognized databases/sources. Please understand that it is more difficult to find the Roots in B.C. for those born post uprooting (after 1942) and born outside of B.C. Linkage is required of the Survivor to the parent or grandparent with the permanent residence in B.C. prior to April 1, 1949.

As all ship arrivals from Japan to Canada at that time went through the Port of Vancouver, this is not sufficient to qualify as having Roots in B.C. especially if the family's destination was outside of B.C.

Survivors may not be aware of the onerous validation process. This is a requirement to ensure that fraud is not committed in the issuance of these grants. It is a criminal offence to make a false application.

Failure to meet the eligibility requirements will result in a denied application. A denial letter will be sent to the Survivor/Representative. An adjudication process is available if a Survivor requests to have the decision reviewed by the objective Adjudication Committee.

Continued on next page...

Continued from page 6...

As living Survivor applications are a priority, please note that the following circumstances will encounter a delay to be processed:

- The applicant died after applying
- The applicant is deceased, and the estate is applying for Grant 1 only
- Lost or stolen cheques, incorrect address and deposit errors to an incorrect bank account
- The applicant is living outside of North America

For enquiries, please contact our JCSHWF General Phone/Toll-free phone or email:

JCSHWF General phone 250.797.6300

JCSHWF North American toll-free phone 1.833.368.6462

JCSHWF Email: help@jcwellness.org

The list of Outreach Workers is available on our website:

<https://jcwellness.org/outreachworkers>

We thank all Survivors for their patience and understanding as we proceed through the validation process for 5000 applications.

The Japanese Canadian Survivor Health & Wellness Fund is open for applications until March 31, 2025.
