January 2025, Issue #488

New Year's Greeting

Happy New Year! At the beginning of the New Year, I would like to extend my warm regards to you all.

As in previous years, many people throughout the world have been affected by natural disasters, including earthquakes, floods, and forest fires. I would like to offer my deepest condolences to all who have perished in those calamities. I would also like to express my sympathies to those who are still coping with the dire situations. It is my sincere hope that all who have been affected will soon be able to return to normalcy.

In addition to the continuing Russian invasion of Ukraine that began in February 2022, armed conflict in the Middle East since October 2023 has intensified, putting a toll on civilians. As Buddhists, let us embrace the words of Sakyamuni Buddha that "Everyone fears violence and is scared of death. In consideration of all life, do not kill and do not make others kill."

We, as human beings who have received life in this world, shall have our human rights equally guaranteed regardless of reason, and must never have our lives threatened. However in reality, conflicts and terrorist attacks have occurred everywhere in the world and for many people, their right to live and exist has been threatened. As Buddhists as well as Nembutsu followers who aspire to achieve peace, we must keep seriously in our hearts the words of Sakyamuni Buddha as well as Shinran Shonin who aspired for a peaceful world in pursuing our endeavor of contributing toward world peace and security.

Through the Jodo Shinshu teaching, we are guided to appreciate Amida Buddha's working that enables us to become aware of our true self. Being caught up in our self-centered thinking and desires, we are unable to accept the Universal Truth of dependent origination and impermanence, and that is why we constantly suffer from our human desires.

Unable to leave us in such a state, Amida Buddha continuously works to lead us to the Dharma. By regarding each individual as a fellow traveler following the same path being guided and embraced by Amida Buddha, we are enabled to respect and help each other while courageously coping with difficult social issues. Let us continue listening and appreciating Amida Buddha's working as Buddhist followers while cherishing each and every day.

Happy New Year

Welcome to the year 2025! This is when I reflect upon last year, with all its ups and downs.

Last November, I ruptured my Achilles tendon when I was running - without any warm-up or stretching. I was told by the doctor that it would take a long time to completely heal. This is my first major injury, and I am experiencing limitations in my everyday activity. But, I am grateful for the kindness and caring of many people, including my family.

One of our senior members said to me, “Aoki sensei, I just try to take it one day at a time; and I am grateful for every day.” This also reflects the very essence of Buddhism. Within each day, let us try to take it a moment at a time, and be grateful for every moment. To live with such day-to-day, moment-to-moment appreciation, we call a life of Nembutsu.

Namo Amida Butsu.

Message from the VBT Board

Dear Members and Friends of Vancouver Buddhist Temple,

We hope everyone has enjoyed the recent Seasonal Holiday and is ready to start refreshed.

For this year, Board has decided to rotate report authors. Each board member has a slightly different vantage point and may drill down in areas related to their specific involvement.

First, Bishop Tatsuya Aoki has been doing a fantastic job serving the Canadian Temples as the Socho (“Bishop”). At the point of writing, Vancouver Buddhist Temple has been asked by the Jodo Shinshu Buddhist Temples of Canada, our national organization, to support the renewal of his term after April 2025 for another two years. Personally, it is an honour to be a part of the Temple that has been sharing our minister nationally to help all the temples in Canada through his leadership as Bishop. I hope we can continue our gracious and generous national contribution as long as it is still needed. For the next year or so, you will see Aoki Sensei on crutches or hobbling as he recovers from his recent slip running to catch a train.

Secondly, quite a few members of your board have been focused on refreshing your building as a result of opportunities to repair, maintain or improve your building:

- Downtown Eastside Capital Grant applications and projects \$50,000
- Japanese Canadian Legacies Society (“JCLS”) Infrastructure Grant application 1 and projects \$250,000
- JCLS Infrastructure 2 \$1 million (currently submitted)
- Insurance repairs due to roofing damage caused by the neighbouring development.

Some of the projects either approved or under consideration include, lighting upgrades, roofing, flooring, windows, heating and ventilation, accessible entry, garage insulation, appliance renewal, painting, ceiling renewals. You may have already noticed the LED lighting in the social hall and the garage (which are motion sensing).

- Additionally your board is considering the potential of working with the JCLS on an alternate \$5 M

grant.

The temple has signed a letter of intent which needs to be followed up with intensive strategic and business planning efforts and commitments.

Thirdly, you may have noticed following Covid-19 that Reverend Aoki has become a self-taught one-man online production team for Virtual Dharma Services, usually on Saturdays. These services have become popular with people who have discovered that Buddhist practice enhances their lives. Most recently a few have asked Reverend Aoki to assist them in affirmation of their new Buddhist paths.

Needless to say, with all these things going on as well as the aging of some of more active members, we need to bolster our ranks in the regular toban work groups and for fundraiser activities. Further, your Temple is in need of volunteers (members and friends) at the professional, leadership and coordination levels to guide and provide input to the major building initiatives. If you think you have some experience that would even remotely help the temple board in those capacities or in hands on, please reach out to one of our Board executives.

Next time you are by, introduce yourself to Yohei Tarutani who joined the temple as administrator on a part time basis in September.

After closing off 2024 with a successful Mochitsuki and New Years Eve Bell Ringing, we look forward to an exciting and challenging new year! Thank you for your continuing support, participation and generous donations.

Closing off in tribute to the late Reverend Leslie Kawamura who opened my Dharma eyes to “being present”

2025 Annual General Meeting

The Vancouver Buddhist Temple will have its Annual General Meeting on Sunday, February 2nd @ 1:00 pm. The meeting will be hybrid (in person and via Zoom). The input from all of our members is needed to help give direction to the temple’s board of directors.

Information regarding the AGM will be mailed out in early January.

Please make every effort to attend this very important meeting.

2024 Mochitsuki

Sunday, December 7th

Greetings from the Valley...

Akemashite Omedetoo. Happy New Year from the Valley!! 2025 is here and all our hopes are for a peaceful and healthy new year for everyone.

So far the weather has been windy but not as difficult as winter has been in the past. This is being written before December 25, 2024 so perhaps being a little more positive than when you read it, but no snow yet and only rain in the forecast.

Our biggest thank you to Reverend Grant Ikuta and Bishop Tatsuya Aoki who come out to officiate at our little temple. As we say goodbye to so many of our seniors, we were happy to see new faces at our last services. We look forward to a new year of fun and study as during a board discussion we considered having in the new year a serious program of learning what is meant to be a Jodo Shinshu buddhist.

Also a thank you to the Bodhi Mind for giving us space to send our little messages out. Please go to temple, it is a healthy and peaceful thing to do.

Thank You to...

A lot of work is required to keep the temple in working order. From time to time things break-down or we need assistance in the kitchen. As well as the board of directors, we are very fortunate to have volunteers answer the call for help.

A huge shout-out and thanks to:

♦ **November Bento** - Molly Akune, JoAnna Bazely, Joyce Chan, Masae Ishii, Satsu Kanegae, Takiko Kawasaki, Paul & Eileen Kitamura, Tatsu & Karen Mizushima, Cathy Nishikawa, Keiko Oyama, Christine, Kaz, and Margaret Yoshida

♦ **December 7th Mochitsuki** - Thank you to all who came out to help. We had close to 100 volunteers come out. Our fund-raiser was a huge success! Special thanks to Brad Bishop, Brian Minato, and Steve Nishi for steaming the rice, and also for setting up the mochi pounding area with Greg Chor. Many thanks to Lorna Bishop, Joyce Chan, Masae Ishii, Ed Oyama, and Nancy Yamazaki for their invaluable help in the kitchen and/or organizing the food prep and sales.

Return to the Toban System

The temple would not be the warm and welcoming place for gathering if it were not for the dedicated hard work of our members. When people come to the temple - whether it is for the first time or the 100th time - the care we put in our temple expresses how precious we hold the Teachings of the Buddha.

The Tobans will look after Memorial/Shotsuki services. Some of the duties include: cleaning the Hondo, the Social Hall, inside and outside the temple; a parking attendant is needed; as well as a couple people may be needed to act as service receptionist and usher. Also, Tobans will be responsible for lunch preparations, clean-up, and garbage removal. Help will also be needed for special services and memorial events, when needed.

The following activities in January are the responsibility of **Toban #3**

- **New Year's Eve Service** - Tuesday, December 31st @ 10:00 pm (@ UBC)
- **New Year's Day Service** - Wednesday, January 1st @ 10:00 am
- **Hoonko & January Shotsuki/Memorial Service** - Sunday, January 12th @ 9:00 am
- **Seniors Luncheon** - Sunday, January 19th @ 9:00 am

Please contact Toban 3's captains, Dave Ohori and/or Trish Keizer if you are able to help.
